Description of ministry.

Central Valley Church is a growing and vibrant church with a strong reformed evangelical tradition. Planted only a few years ago we are wanting to continue to train, develop and send out more gospel workers. The Apprentice will be working directly with our Lead Pastor who seeks to invest into this position both in the areas of training/equipping and on the ground ministry experience. Our hope is that this Apprenticeship will not only give someone a taste for ministry but also a love for future ministry (whether as

volunteer or paid vocational).
