Description of ministry.

Queanbeyan Presbyterian Church is a historic congregation with more than 150 years of gospel witness. In recent years, by the grace of God, the church has begun to experience renewal, with new families connecting through faithful preaching, relational outreach, and a growing presence in the community.

We are seeking an MTS Apprentice who will work closely with our Pastor to help develop a sustainable youth and young adults ministry. The Apprentice will have the opportunity to engage in evangelism and discipleship through local schools, SRE/Scripture classes, youth programs, playgroup, and community-based outreach. This role will suit someone who has a heart for the Gospel, a desire to see young people come to know Christ, and a willingness to step into a mission field where many have little or no exposure to Christianity.

Queanbeyan is a growing regional city on the NSW/ACT border, offering a strategic opportunity to reach the next generation with the good news of Jesus. The Apprentice will receive hands-on ministry experience, intentional training, and mentoring, while contributing meaningfully to the long-term revitalisation and mission of the church.

MTS Apprenticeship Seed Funding is not currently available.
