Description of ministry.

Grace Church International was started as the English ministry of Grace Chinese Christian Church, but as time went on, our desire grew for those who lived in our neighbourhood as well. In God's kindness, he has brought people from a variety of ethnicities to our church. Today we have people from all ages and backgrounds in our church family. One of our core values is to train up the next generation of leaders. We want MTS apprentices to join us not merely to fill in ministry vacancies, but to train and equip them to do ministry across different generations and cultures.

MTS Apprenticeship Seed Funding is not currently available.
