

MTS Curriculum Worksheets

This document has printable worksheets for 80 weeks of an MTS apprenticeship, including some weeks that are blocked out for two Training Days per year, the G8 National Conference each year, and for MTS Mission Minded (or your local recruiting conference).

The number of hours varies from week to week, and there is a separate indicator (the blue stripe) as to how much time a meeting with your trainer will take that week.

Each worksheet has the year (1 or 2), the term (1 through 4), and the week (1 through 10), based roughly on school terms. There is enough flexibility to allow you to get ahead a week or two,

Each worksheet for a given week (Monday to Sunday) shows you four things for the week, and a hint of what's to come:

1. What homework needs to be done before the start of the week: this will generally be reading of books and discussion papers.
2. What exercises you need to do for the week, and how much time they will take to complete
3. What to talk about with your trainer – papers and books you've read
4. What to talk about with your trainer – exercises you've done or are in progress
5. The homework to do for next week, so you can download the next things to read.

Apprentice/Trainer Development Plan

Apprentice:	Trainer:	Completed: / /	Reviewed: / /
-------------	----------	-------------------	------------------

This development plan is used at the commencement of the apprenticeship to help both trainer and apprentice decide upon areas of growth to work on during the apprenticeship. It is also used to track progress and plan training at each review stage, including the final assessment. The trainer helps the apprentice develop their goals.

Key training area	Goal	Action	By when
Conviction			
Character			
Competence			

Key Learning Areas, Learning Strands and their descriptions

Conviction	Knowing God

1. Bible Study	Apprentices should develop commitment to the Bible, respecting it as the revealed and reliable Word of God, as well as cultivating the desire and the skills to read and apply it.
2. Thinking theologically	Apprentices should have a sound understanding of the gospel, and grow in their ability to reflect theologically and critically about Christian ministry.
Character	Godly Living
Learning strand	Learning Strand Description
3. Prayer and godliness	Apprentices should strive to live out a mature Christian life characterized by a love for and trust in God. Their reliance on his power should be expressed through prayer. Apprentices should demonstrate a commitment to personal integrity, especially in the areas of faithfulness, truthfulness, purity and self-control.
4. Relationships in ministry	Apprentices should cultivate a humble, self- giving attitude towards others. Apprentices should exercise sober judgement and pastoral sensitivity, and grow in their listening abilities and skills in building rapport and trust. They should be teachable and open to feedback.

6. Teaching the Bible	Apprentices should work at building mature Christians by teaching the Bible one-to-one, in small groups and in public settings to children, youth and adults.
7. Training others in ministry	Apprentices should proactively identify people's gifts and potential. Apprentices should work at equipping these people through the Word of God for godly living, instilling in them the vision to reach the world with the gospel, and encouraging them to develop skills to minister to others.
8. Leadership	Apprentices should work at motivating, inspiring and organizing people to work together in teams. Apprentices need to set a clear vision, and think and act strategically, even initiating new ministries to break into uncharted terrain to advance the gospel.
