SCHOLARSHIP	SCHOLARSHIP TO COMPLETION					SCHOLARSHIP TO DATE					
	Value	Term mths	Received	Future	Total	Funding Target	Variance	Mths	Donations Rec'd	Share of Target	Variance
John Ford	\$53,698	24	\$22,803	\$5,060	\$27,863	\$53,698	-\$25,835	12	\$22,803	\$26,849	-\$4,046
<b>Total</b>	<b>\$53,698</b>				<b>\$27,863</b>	<b>\$53,698</b>	<b>-\$25,835</b>		<b>\$22,803</b>	<b>\$26,849</b>	<b>-\$4,046</b>

In this example a further \$25,835 needs to be raised to fully fund the apprentice's scholarship, with donations received being \$4,046 behind where they should be 12 months into a 24 month scholarship.

Number of completed scholarship months

Value of donations received to date

Value of donations that should have been received to date, if your scholarship was funded by the same value of donations each month
