The Vision of MTS is:

‘To win the world for Christ by multiplying Gospel Workers through ministry apprenticeships.’

The Mission of MTS is:

‘To raise up, train and resource MTS Trainers, as they multiply Gospel Workers through ministry apprenticeships.’

About the Role

MTS is blessed to receive \$600,000 in donations from supporters each year. The MTS prayer letter, ‘MTS PartnerNews’ is delivered to 4,700 engaged supporters monthly. Amongst these there are a smaller but increasing number of major partners.

At MTS, we all strive to give what we can in the service of Jesus. We follow the acronym L.I.F.E, which stands for Labour, Influence, Finance and Expertise, because we value all contributions and acknowledge that people will give in these different ways, at different times.

A key aspect of the role of the MTS Patrons Coordinator is to work with our donors and major partners as they seek to give their L.I.F.E in the service of Jesus.

The MTS Patrons Coordinator will primarily invest one-to-one in our Major Partners to grow and connect them with opportunities to be involved in mission. They will use their organisational and networking skills to strategically develop, manage and execute a major partner engagement plan. They will build significant, lasting and meaningful relationships with the broad range of people that make up our major donor base.

The MTS Patrons Coordinator will work alongside the National Director to:

1. Grow the number of Major Partners
2. Grow the engagement of existing Major Partners
3. Establish a Gift in Will program
